Bundle data is sourced from the EasyEquides Platform from January 2019 to 31 December 2019. Only bundles with 12 months or more of past performance data have been included. The value of a financial product can go down, as well as up, due to changes in the value of the underlying investments. An investor may not recoupt the full amount invested. Past performance is not necessarily an indication of future performance. These products are not guaranteed. Examples are for illustrative purposes only.
